

# RESPONSIBLE PARENTHOOD

5.29.2019

## Subject

SOCIAL STUDIES

## Prepared By

[Instructor Name]

## Grade Level

4

## Overview

This lesson plan covers teaching content for:

1. Meaning of Responsible Parenthood.
2. Basic concepts of Responsible Parenthood.
3. Duties and Qualities of Responsible Parenthood.
4. Identifying problems associated with irresponsible parenthood.

## Objectives

By the end of this unit, students should be able to:

1. Explain the meaning of Responsible Parenthood.
2. List various characteristics of responsible parenthood.
3. Identify Values that can be developed to avoid irresponsible parenthood.

## Activity Starter/Introduction

1. Ask students to explain what they understand by responsible parenthood.
2. Leading with this, ask students to list qualities of responsible parenthood.
3. Refine Student definition as needed.

## Teacher Guide

### Day 1/Lesson 1–25Mins

1. Invite qualified health officer and social welfare officer as a resource person.
2. Resource person should talk to students on the problems of irresponsible parenthood and the values that can be developed to avoid it.
3. Encourage students to ask as many questions as they like to the resource person.
4. Ask pupils to summarize their discussion with the resource person.

## Activity Starter/Introduction

1. Announce to students that a resource person would be speaking to them on the topic of responsible parenthood.

## Guided Practice

### Day 2/Lesson 2–15Mins

1. Start the class by explaining basic concepts in responsible parenthood;
  - Family size
  - Emotional maturity
  - Availability
2. Guide the students through duties and qualities of responsible parenthood.
  - Father's role in the family
  - Mother's role in the family
  - Factors to consider when choosing a partner
